To

The Secretary to the
Government of Mysore,
Muzrai Department

Sir,

With reference to your Docket No 531/11 of the 16th August 1892 regarding the Mysore Government Chattram at Santebedmur in the Hindupur Taluk of Her Majesty's Territory, I have the honor to state that there is no Government building for the Chattram, but that the allowance of Rs 24-3-9 is paid to the descendant of Satyavara swamy whose remains were interred at Santebedmur. It would appear that a regular Chattram is not maintained there, but that feeding is carried on on a large scale once in a year about the time of the death of the said Swami. In addition to this grant from the Mysore Government, the Government of Madras allows a grant of Rs. 11-10-8 per month towards the commemoration of the Swamis death-day That Government has further allowed a land Inam of Rs. 375-0-0 for the purpose It would appear that the Mysore allowance of Rs. 24-3-9 is being used

and that the Inam Department has confirmed the allowance. It is reported that previous to it the Chattram existed at Maddagiri, but there is no record forthcoming bearing on this point

2. With reference to para 2 of the docket under reply, I beg to state that if the allowance can be withdrawn, the Chattram at Maddagiri may be revived.

I have the honor to be,

His Nos 595 and 597 of the 14th Ultimo reporting that there is no regular chattram at Santébidnur and that Satyavarahaswamy's Brindavana there alone receives an allowance of ~~Rs~~ 24-3-9 per mensem from the Mysore Govt to carry on feeding.

---

Referring to the above observes as follows —

(1) The Kanarese

received with his letter No.
226 dated 6th August 1892
shew that a sum of
Rs 14-2-9 is fixed per
month for feeding and
Rs 10-1-0 for the cost of
Establishment. This
evidently presupposes a
daily feeding at the
Brindavana.

(2) The Dy: Commr now
reports that feeding is
carried on on a large
scale, once a year only.
This is irregular.

(3) Complaints are
received in this office to the
effect that the funds of the
Institution are grossly
misappropriated.

2. The Dy Commr is therefore
requested to warn the
managers of the Institution
that if the feeding is not
regularly conducted, orders
will be issued for the
resumption of the grant.

Enclosure No. 1 & 1 file

In reply to Mizpuram Secretary's docket No 3480 Miz F-142-92 dated 11th May 1904 forwarding for enquiry and report the petition of one Thimmaiah Sheerthachar of Santebidanur Hindupur Taluk, complaining that during the prevalence of plague at Santebidanur, the Jasad grants of the temple for Anjaneya Swamy and the Brindavanam of Sri

Satyavara Swami situated in the above village were paid though there were no Puja and Santarpane or feeding conducted, the undersigned has the honour to state as follows

2. The Amildar of Maddagiri to whom the petition was referred for enquiry reports that Puja and feeding in these institutions were not done for about a fortnight or so on account of the death of the Archak by plague and of the evacuation of the village; and though the grant has been paid to the Agent of the institutions for this period it cannot be said that he (the agent, Venkata Madhwachar) appropriated it otherwise because the Establishment had not been dispensed with and Puja and feeding renewed after Samprokshané at much cost The Archak having died the agent, Venkata Madhwachar got the worship-

worship at the two Agraharams alone
by his own.

5 The cash grant payable by the
Karimpuram Taluk Treasury to these institutions
is also reported to have been fully paid
even during the prevalence of plague, by
the Committee appointed in that Taluk
for their management. The Shanbhag states
that this village is devided into 2 factions,
and the present complaint is the outcome
of the ill-feeling existing between the
agent Venkata Madhwachar and his party
and the Complainant Narendra Teerthachar
and his men. The Shanbhag further states
considering these circumstances that it
does not appear reasonable to deduct
the payments made during the above
period either from the future monthly
payments or from grants for extraordi-
nary services and he has withheld two
months' cash grant and awaits order

79

Undersigned thinks that no deduction need be made.

4 The remembar correspondence on the subject is herewith forwarded and the petition received with the docket under reply is returned.

5 The allegations made in the petitions received with docket No 2037/142-92 dated 18th January 1904 and which is referred to in the reference under reply are being inquired into by the Assistant of Headdagire and the record of enquiry will be forwarded after its receipt here.
